LEADING AMERICAN SIRES

PLAUDIT AT THE HEAD OF AFFAIRS THROUGH HIS SPEEDY SON. KING JAMES.

Cesarion's Many Fast Two-Year-Olds Give Him Sec ond Place in the List, and Sain Is a Good Third.

To date Plaudit is the leading thoroughbred sire of the year 1909. His position is due to his sturdy son. King James, but he has, other representatives that can race to good purpose. Next to him is the famous begetter of early speed. Cesarion, which owes \$18,135 of his total of \$23,470 to his two-year-olds of this year, of which the dead A. J. Small may have been the best. Next to Cesarion comes the pride of Missouri, Sain, with Jack Atkin as the leading contributor to his total of \$20,850. So far no Sain two-year-old of surpassing excellence has been sent to the races, but Sainotta raced quite usefully and there are quite a number of young Sains in reserve, among which may be one or more of the Jack Atkin order. Next to Sain comes Woolsthorpe, followed in order by Oddfellow and the promising young sire, Cunard. Last of the list at this time is Meddler.

Below is given the standing of the thirty leading stallions up to and including April 15. and complete lists of their representatives with their respective winnings. It is an accurate compilation and gives all second and third moneys in stakes and purses allike:

THE JOCKEY CLUB FURNISHES SURPRISES.

Licenses Refused Archie Zimmer, Walter Miller, Richard Scoville, Joe Marrone and Others.

New York, April 22.—Archie Zimmer, of Chicago, or many years trainer of "Big Tim" Sullivan's ace horses, had his application for a trainer's licuse laid on the table by the stewards of the Jockey

race horses, had his application for a trainer's license laid on the table by the stewards of the Jockey Club Wednesday.

For the second time the stewards laid on the table the application of Walter Miller, who, for the present, is under a cloud for his course in defying the authority of the New California Jockey Club and refusing to pay a fine imposed on him for foul riding.

With the tabling of Miller's application the applications of Vincent Powers, said to be under contract to go abroad for a prominent New York turfman, and Richard Scoville, also a jockey of some note, were tabled.

The same course was taken on the applications for trainers' licenses by Joseph Marrone, who fought the charge of "doping" a horse at Washington; E. N. Alvord, J. C. Nally, James McCauley, R. I. Delisser, William M. Sheedy and Lee Christy. The application for a trainer's license by John Rogers, who was mixed up in a racting case questioned by the Jockey Club, was denied flatly.

Wednesday's action of the Pacific Jockey Club stewards in accepting Miller's fine will probably remove the objections of the Jockey Club against his license.

ONE OF CANADA'S STRONG STABLES.

Detroit, Mich., April 22.—The barns at the newly built Windsor track house a goodly band of horses which are taking their exercises regularly. The most formidable stable there is the Hendrie Valley

Farm Stable.

Visitors to the track are mostly interested in the two candidates for the King's Plate. Shimonese and Scud. Shimonese, the beautiful four-year-old daughter of Martimas, winuer of the Futurity, and out of Lyddite, winner of the King's Plate, was most unlucky to have been nosed out of last year's Plate through not having a jockey to pilot her who was strong enough to keep her straight in the last fifty yards. Scud is a four-year-old colt, by Gold Car-Solash, and is a half-brother to the speedy Ayrwater. He has never shown anything in public and may prove but a sprinter. However, if looks count for anything, this fellow will surely be heard from the coming season.

Glimmer looks especially well.

anything, this fellow will surely be heard from the coming season.

Glimmer looks especially well. Last year a split hoof kept this rugged son of Martimas—Flicker in the barn most of the time. During the winter he has grown a hoof, and appears to be going through his daily work-out without a sign of lameness.

Although it was feared that Denham had broken down last year at Toronto, trainer John Nixon has him out galloping every day, and says he is going along as sound as a bell.

The Hendrie lot, which starts racing at Toronto, and threatens to cut a deep figure in the Canadian racing of 1900, is made up of the following horses:
Charlie Glibert, ch. h. 5, by Masetto—Frogmore.
Denham, ch. g., 5, by Derwentwater—Cottonnade. Shimonese, ch. f. 4, by Martimas—Lyddite.

FIRST PREMIUM DEFEATS PARK ROW.

San Antonio, Tex.: April 22.—A large and speculatively inclined crowd witnessed the running of seven well-arranged races today.

The fourth race, a six-and-one-half-furlongs dash, brought together First Premium and Park Row, resulting in a keen and interesting struggle. Park Row got away to a flying start and set a dazzling pace for three-quarters of a mile, but faltered after entering the stretch, and when First Premium challenged had nothing left to stall off the latter's fast closing rush, succumbing in the final strides. This was one of the fastest races ever run in this part of the country and created unbounded enthusiasm. Singleton was again in the limelight, riding two winners and two seconds. Vandusen was also prominent, bringing home two winners and one second.

winners and two seconds. Vandysen was also prominent, bringing home two winners and one second. Fernando was claimed Wednesday by R. Farris for \$450. Chippewa, the winner of the last race, was bid up \$100 over his entered price of \$200 when S. A. Clopton let him go to P. Dwyer. There is to be a sale of horses in the paddock Saturday and a large number are to be disposed of by the auctioneers.

J. D. Grant will ship his stable to Toronto next week.

HORSES GALLOPING AT TORONTO.

Toronto, Ont., April 22.—The horses at Woodbine had a drying track Wednesday morning and the going improved all day. Mr. R. J. Mackenzle's Tourenne cantered half a mile in 59 seconds, with Kingston up, and hard held all the way, which tells the condition of the track. Waterbridge was trailing him. Tourenne, which earned \$5,500 for his owner last season, never looked better than this spring. The Woodbine horses have come on encouragingly and a short time will see them improving their paces last season, never looked better than this spring. The Woodbine horses have come on encouragingly and a short time will see them improving their paces considerably. Recent arrivals there are Mr. Kean's Lyndhurst. Mr. Gorman's Bathbrick and Lady Gore and Mr. Crew's Caper Sauce and Harry Graball, the latter a King's Plate nomination. The schooling ground on Scarboro' Heights, was also in use. Nat Ray sent Al Powell, Ben Crockett, Byzantine and Braggadocio for preliminary work and Maurice Donovan had Frank Somers out.

"I would rather any day." says Horatio Bottomley, the English M. P., "watch a selling steeplechase than the Derby. And I have often observed that the general public, and especially the women, take far keener interest in jumping than in flat racing. Just compare the faces of the crowd at Asot during the race for the Gold Cup with those at the Grand National, or go to France, even in mid-summer, and see how the Grand Steeplechase de Paris dwarfs the Grand Prix. No, there is nothing like jumping."

NEW PLAN TO TEST CALIFORNIA LAW.

Dog Races Not To Be Used, but Poolrooms Will Be the Basis for Action.

San Francisco, Cal., April 22.—The plan of having the Walker-Otis law tested by arrests for betting on coursing races has been deferred for the present and the test of the law may instead take place at the Sausalito poolrooms. Local handbooks were preparing to resume operations on the Pimilco races Saturday, but at the request of Frank Daroux, the Sausalito poolroom magnate, who represented that they might imperil the success of a scheme devised by attorney Henry Ach to circumvent the law until an opportunity had been given for carrying the plan into effect at Sausalito, they will await developments. The test will probably not take place for several weeks.

G. H. Keene will dispose of his horses as rapidly as possible and join his brother, Jack, in Russia, where the latter is training a public stable of one hundred horses at Moscow. The Keene stable was shipped to Salt Lake today.

F. D. Weir and E. W. Heffner left for New York with their horses, and D. A. Ross' stable has departed for Victoria.

Handicapper Martin Nathanson left today for Chicago, via Denver, where he will size up the conditions for the meeting at Overland Park, where he is to be racing secretary.

A report is current here that Charley Gates, son of the capitalist, John W. Gates, will finance the construction of the proposed new track at Tia Juana, just across the international boundary from San Diego, for which it is claimed the Mexican authorities have just granted at wenty years betting concession to Clem Creveling and Harry Brolaski.

THIRTY LEADING JOCKEYS.

Seven was the high mark for winners ridden last week, Mentry, at Oakland, and J. Howard, at Santa Anita, each having that number to his credit, the latter winning a beautiful silver cup given by the racing association to the jockey riding the most winners during the last week of racing at Santa Anita. Butwell, G. Archibald and B. Wilson, at Santa Anita, and Page and W. McIntyre, at Oakland, piloted four winners each, while C. H. Shilling, M. McGec, C. Ross and Borel were each home in front on three. The standing of the thirty leading jockeys from January 1, to and including the racing of April 17, their percentages and races won the past week are as follows:

RAIN INTERRUPTS TRACK WORK.

New York, April 22.—Sheepshead Bay sent a consignment of horses to Pimlico Tuesday afternoon. The most important shipments were those of George Odom and Frank Gardner. These are important, for while Odom undoubtedly has the best three-year-old filly that will race at the Pimlico meeting in Trance. Gardner has the best colt in Statesman, which is in perfect condition.

Besides Trance in the Odom string were Nimbus, Traveller, Bonnie Kelso, Constellation and Mazuma. The Gardner lot included Queen of the Hills, Racine II. and two two-year-olds. James McLaughlin, Jr., sent Sunfig. Mr. Gray also sent a pair of wood.

Mr. Gray also sent a pair of goodnt Sunfire.

Tully Coulter will wait until the opening of the season at Belmont Park before showing his colors. The Coulter horses have been doing exceedingly well in their exercises, but in one of her gallops Trash can away and had to be rested for a time as a re-

It is probable that the horses of George Odom are further advanced than any of the horses of the shipment, and Trance is the pick of his lot.

The heavy rain of yesterday morning kept most of the trainers under shelter.

W. H. Karrick was one who accomplished considerable useful work, while James Rowe sent the Keene string along in the same fashion. Maskette, Celt. Henley, Casque, Turncoat, Sunbury and Ultimus, were all able to go along almost as fast as they have been asked to gailop over the track, while the two-year-olds were also gailoped along usefully. Simon Healey had Bardminister, Layminister, Dreamer, Master Robert and Young Friend galloping under shelter.

GOOD STABLES REACH LEXINGTON.

Lexington, Ky.. April 22.—The Kentucky Association track was still too heavy for fast work today and trainers contented themselves with gallops at about a two-minute clip. The track is drying out rapidly and, barring more rain, the going will be good for the opening Saturday.

Arrivals today were the stables of W. H. Fizer, T. P. Hayes. Thomas Hatfield and P. M. Civill, all from Louisville. Fizer brought E. T. Shipp, Ed Kane, Orlandot, Rose of Pink, Floreal, Nell Olin, Home Run, Anne McGee, Granger. Pink Wings and three two-year-olds. P. M. Civill's string includes Topsy Robinson, Heine, Arrow Swift, Creel and Front Row. T. P. Hayes brought Sir Catesby, Lillie Turner, Plume and Perennial. Hatfield brought two, Grenade and Gus Couniot.

If looks count for anything, August Belmont has some winners in the string John Whalen has brought to Pimlico from Garnet. S. C. The two-year-olds, all by Hastings, have size and substance and a general look of high quality. They are in good condition and some are ready. In the string are: Field Mouse, by Hastings—Flittermouse: Half Sovereign, by Hastings—Souveraine: Melodeon, by Collar-Mem Sahlt; Goodheart, by Pastisson—Bon Coeur: Practical, by Hastings—St. Priscilla, a full brother to the good horse. Priscillian, now in England: the old campaigner, Don Diego, by Henry of Navarre—Bella-Donna: the two-year-olds, Star Bottle, by Hastings—Sunfash: Amoret, by Hastings—Aurata: Sue, by Hastings—Souveraine, full sister to Half Sovereign: Crossover, by Octagon—Long Cross; St. Augustus, by Hastings—St. Agnes: Dull Care, by Hastings—Outlebella: Glopper, by Hastings—Glory, a full brother to Glorifier, and Smug, by Hastings—Souriante.

Mr. Whalen says that there has not been a day during the winter that he could not exercise his horses on the half-mile track at Garnet, and he has thus been enabled to bring them north ready to race. Half Sovereign is in form and ready. The stable is sweet on the two-year-old, Dull Care, which has been pointed for the early-racing.

M'CAFFERTY FANCIES ARGENTINA.

John J. McCafferty will shortly leave New York for Lexington, Ky. McCafferty was favorably impressed with racing as it is conducted in the Argenine Republic. Racing is well patronized and the purses are big. Ideal climate insures the continuance of outdoor sporting events.

On his trip to France McCafferty met many of his former turf friends. William Duke, trainer for William K. Vanderbilt, was associated in business with McCafferty in the early inneties,

W. H. (Harry) McKenna passed through Chicago yesterday on his way to Baltimore to take in the Pimlico meeting. He was one of a big band of racing pilgrims from the coast, most of whom were bound for the east, but some for Louisville.

The Metropolitan Turf Association, known to the regular race-goer and horseman of the east as the "Mets," moved into its new quarters recently at 117 West Forty-fifth street, New York. This is the new clubhouse of the "Mets," formerly occupied by the Optimists Club.

The steeplechase riders, E. Stone and Rosteck, are at Windsor with trainer Al Baller, who will have a strong cross-country string this season. It is said that Baller will train the horses that "Uncle George" Hendrie will race on the Canadian circuit and which wintered at Windsor. Michael Angelo, which will carry the yellow and tartan jacket in the Kentucky Derby, is at Louisville in charge of John Walters.

Winner—B. h, by Herald—Tyna (trained by E. Hogoboom).
Went to post at 4:32. At post 2 minutes. Start good. Won driving; second and third the same.
Ellerd ran into the lead at once and held it, but tired and just lasted long enough to win from the fast
coming Brougham. The latter, always in persistent pursuit of the winner, would have won in another
stride. Otilo ran well, but could never get up.
